

APPLE BLOSSOM TIME

Come and join us for our first en plein air painting day of 2022 at Sheppy's Cider Farm. Follow in the footsteps of Georgia O'Keefe, Gustav Klimt, Camille Pissarro and photographers Ansel Adams and Thomas Heaton and other greats to capture the beauty of the Spring blooms at this traditional orchard.

In addition there is natural duck pond, donkeys and farm animals all waiting for your attention!

Meet on Sunday 1 May, 10.30am in the cafe before setting off to the orchard and later to share your work.
